The Chamber

Congratulations to **Leon's Furniture** who recently celebrated the **Grand Re-Opening** of their new state of the Art Warehouse and Showroom. Saskatchewan's largest home furnishings retailer all under one roof - 70,000 square feet.

Solid Innovation®, **Inc.**, a Prince Albert business and a leading provider of integrated route distribution, sales force automation, and integrated back-office accounting solutions to the Direct Store Delivery (DSD) and wholesale distribution industry, today announced that Premier Patio Heating Specialists, a low-cost patio heater leasing, service, and cylinder exchange company, has successfully implemented Si Mobile SalesT to automate and speed its route delivery process. Premier Patio is using Si Mobile Sales to proactively manage its mobile route accounting system by automating time-consuming, manual processes and streamlining back-office billing and invoicing functions.
